

**Arizona State University
College of Nursing & Health Innovation
Acceptable Use Agreement**

The College of Nursing & Health Innovation (CONHI) provides access to Arizona State University computing systems for ASU employees and students employed by CONHI. Use of these systems is governed by Federal Law, State Law, ASU's Acceptable Use policies, and the Arizona Board of Regents Student Code of Conduct.

These policies may be found at <http://www.asu.edu/aad/manuals/acd/acd125.html> and http://www.abor.asu.edu/1_the_regents/policymanual/chap5/chapter_v.htm#5-308.

In addition, ASU employees and students employed by CONHI may not change any computer setting (screen, desktop, etc.) or install any software that is not part of CONHI's standard software suite without written permission from their immediate supervisor and approval of CONHI Information Systems.

The College of Nursing & Health Innovation and Arizona State University will assume no liability, including copyright infringement, of user-supplied software.

Violation of this policy will result in loss of computer access privileges within CONHI and will be reported to the UTO Computer Accounts Office.

I agree to abide by all the terms and conditions of acceptable use as outlined in this and related documents.
