

BSN Nursing (Direct Admission) Continuing Eligibility Criteria

Purpose/Explanation of Policy or Procedure

Students admitted to ASU as first-year students in the BSN Nursing with direct admission status are reviewed each semester to ensure that they maintain the criteria. Once first-year students are admitted to ASU as a BSN Nursing with direct admission status (Direct Admit), they must meet the “Continuing Eligibility Criteria” each semester at ASU to guarantee their space into the Traditional Pre-Licensure Clinical Nursing Program (TPCNP) no later than their fifth term at ASU.

Policy/Procedure text

Criteria set for Fall 2019 and Beyond FTF admits:

- Full-time enrollment at ASU (at least 12 hours per term; some scholarships require at least 15 hours per term).
- Enroll in the courses following the published course sequence on the major map (taking courses according to term).
- Courses taken during the required term at institutions other than ASU must have grades recorded on the ASU system by the final session C grading deadline per the ASU Academic Calendar.
- 3.50 minimum semester critical (prerequisite) course GPA in Terms 1-4 (includes +/- in computation)
- Successful completion of all screening items
- Grades of C or better in critical (prerequisite) courses
- Any deviation from the approved major map requires a petition and approval from the academic program. Please consult with your advisor for more information.

Criteria set for Fall 2016-Spring 2019 FTF admits:

- Full time (12 or more credits per semester) and continuous enrollment in accordance with Major Map
- Maintain On-Track status for Terms 1-4
- 3.50 minimum semester ASU GPA in Terms 1-4 (includes +/- in computation)
- Complete remaining 4 or fewer prerequisites in the 4th term
- Successful completion of all screening items
- Grades of C or better in critical (prerequisite) courses

Criteria set for Fall 2013-Spring 2016 FTF admits:

- Full time (12 or more credits per semester) and continuous enrollment in accordance with Major Map
- 3.50 minimum semester ASU GPA in every semester (includes +/- in computation)
- 3.50 minimum critical (prerequisite) course GPA each semester (+/- not used in computation)
- 13 of 17 prerequisite courses, to include all four lab sciences, completed no later than the end of the 3rd term with a 3.75 GPA in those 13 courses or 3.75 select GPA (+/- not used in computation)
- Complete remaining 4 or fewer prerequisites in the 4th term
- Successful completion of all screening items
- Grades of “C ” or better in critical (prerequisite) courses

Criteria set for Fall 2011-Spring 2013 FTF admits:

- “On track” status each semester
- Full time (12 or more credits per semester) and continuous enrollment
- Grades of “B” or better in critical (prerequisite) courses; one “C” grade allowed
- Minimum 11 critical (prerequisite) courses taken at ASU (dual enrollment and AP credits will count as part of the 11)
- 3.50 minimum cumulative ASU GPA
- 3.50 minimum semester ASU GPA in every semester
- 3.50 minimum critical (prerequisite) course GPA each semester
- 13 of 17 prerequisite courses completed by the end of the 3rd term with a 3.75 GPA in those 13 courses or 3.75 Select GPA
- Successful completion of all screening items

At the end of each semester, staff in the Student Academic Services office reviews each direct admit student’s academic record to determine if they meet the Continuing Eligibility Criteria.

If the student meets the Continuing Eligibility Criteria, then they remain a Direct Admit student for the next semester.

If the student does not meet the Continuing Eligibility Criteria, then the student is contacted via email and notified they did not meet the criteria. Students not meeting the criteria are changed to the BS Community Health degree and meet with an advisor to review major options. Students who do not maintain their direct admit status may apply to the nursing program as a competitive applicant.

Glossary of Terms/Definitions

Students admitted to ASU as first-year students in the BSN Nursing with direct admission status are reviewed each semester to ensure that they maintain the criteria.
