## EDUCATION

---

### Doctor of Philosophy in Nursing and Healthcare Innovation

August 2021 - Present

*Arizona State University, Phoenix, AZ*

- GPA: 4.00/4.00
- Dissertation: To be determined

### Bachelor of Science in Nursing

August 2017 - May 2021

*Arizona State University, Phoenix, AZ*

- Minor: Psychology
- GPA: 3.89/4.00
- Honors Thesis: HPV and vaccination: Knowledge, attitudes, and intention among Chinese international college students

## CERTIFICATES

---

Registered Nursing, *Arizona State Board of Nursing*

Basic Life Support Certification, *American Heart Association*

American Red Cross Health Services Certification, *American Red Cross*

## RESEARCH EXPERIENCE

---

### Graduate Research Assistant

August 2021 - Present

*Arizona State University, Phoenix, AZ*

- Assistant to Dr. Kelly Cue Davis, conducting NIH-funded research on alcohol, sexual health and sexual violence.
- Assist in research-related responsibilities such as paper writing, literature review, and data analysis.
- Assist in grant writing responsibilities.

### Research Intern

August 2020 – May 2021

*HonorHealth, Phoenix, AZ*

- Grouped and analyzed data from HonorHealth facilities' high-cost, high-need patients.
- Analyzed the relationship between social determinants of health and health-related costs.
- Generated resources for high-cost high-need patients to decrease health disparities.
- Wrote abstracts and make presentations for conferences.

### Student Researcher

May 2020 – May 2021

*Arizona State University, Phoenix, AZ*

- Designed quantitative research investigating Chinese international students' knowledge and perception of HPV and HPV vaccines.
- Recruited 110 participants through collaboration with Chinese student organizations.
- Completed quantitative analysis and draw conclusions from analysis.
- Completed poster presentation at Western Institute of Nursing Conference.

### Research Aide

February 2019 - May 2019

*Arizona State University, Phoenix, AZ*

- Conducted literature review related to sleep and cardiovascular health.
- Recruited, educated, and interviewed participants.
- Recorded data from surveys and ActiGraph.

## INVITED PRESENTATIONS

---

### Surviving and Thriving the PhD Program

August 2022

- Presented insights on how to succeed in the PhD program to first-year PhD students.

### Graduate School Workshop

February 2022

- Shared experiences of graduate applications and tips for success to undergraduates interested in applying to graduate schools.
- Answered questions on graduate school applications.

## WORK EXPERIENCE

---

Program Aide

September 2019 – May 2021

*Arizona State University, Phoenix, AZ*

- Planned and organized health-related virtual exchange programs for students from Arizona State University and Sichuan University.
- Helped translate marketing materials for Edson College of Nursing and Health Innovation’s international collaboration programs with Chinese universities.
- Provided cultural insights to collaborative programs between Arizona State University and universities in China.

**CLINICAL EXPERIENCE**

---

**Medical Surgical**

*HonorHealth John C. Lincoln Medical Center, Phoenix, AZ*

January 2020 - March 2020

*Mayo Clinic, Phoenix, AZ*

November 2020

- 96 hours of clinical care (including 36 hours of virtual clinical experience) in medical surgical setting.
- Completed nursing care activities such as medication administration, complete physical assessment, and patient education under the supervision of a preceptor.
- Created care plans for patients.

**Pediatrics**

October 2020

- 36 hours of virtual clinical experience in pediatrics setting.
- Created nursing care plans and case studies for pediatric patients.

**Obstetrics**

March 2020

- 36 hours of virtual clinical experience in obstetrics setting.
- Completed nursing care plans and case studies for obstetrics patients.

**Mental Health**

*Copper Spring Behavioral Health Hospital, Avondale, AZ*

January 2020 - March 2020

- 36 hours of direct patient care in mental health care setting.
- Completed nursing care activities such as physical assessment, education, therapeutic communications under the supervision of a preceptor.
- Created nursing care plans for patients.

**Long-term Care**

*Vi at Silverstone, Scottsdale, AZ*

October 2019 - December 2019

- 40 hours of direct patient care in long-term care setting.
- Completed physical assessment and assisted with residents’ activities of daily living.
- Created care plans for residents.

**VOLUNTEER EXPERIENCES**

---

American Psychology Association 2023 Convention Reviewer

Jan 2023

GPSA Publication and Research Grant Reviewer

May 2022 – Present

**EXTRACURRICULAR ACTIVITIES**

---

Omega Phi Alpha National Service Sorority, Phoenix, Arizona

August 2019 – May 2021

Vice President of Administration

- Complete 25 hours of volunteering each semester.
- Take minutes and attendance during chapter meetings.
- Organize chapter events and facilitate communication between active members and executive board.

**HONORS AND AWARDS**

---

Grace A. Fuite Endowment Scholarship, <i>Arizona State University</i>	August 2023 – May 2024
University Graduate Fellowship, <i>Arizona State University</i>	May 2023
Student Merit Award, <i>Research Society on Alcoholism</i>	June 2023
Grace A. Fuite Endowment Scholarship, <i>Arizona State University</i>	August 2022 – May 2023
Student Merit Award, <i>Research Society on Alcoholism</i>	June 2022
Graduate and Professional Students Association Travel Grant, <i>Arizona State University</i>	April 2022
Edson College of Nursing and Health Innovation Travel Grant	April 2022
University Graduate Fellowship, <i>Arizona State University</i>	August 2021 – January 2022
Barrett, the Honors College, <i>Arizona State University</i>	August 2017 – May 2021
Dean’s List, <i>Arizona State University</i>	August 2017 – December 2020
New American University Scholarship, <i>Arizona State University, Phoenix AZ</i>	August 2017 – May 2021

## SKILLS

---

Language: Mandarin Chinese (native), English (fluent)

Data Analysis Software: Excel, SPSS, R Studio, MPlus, SAS

Computer: Fundamental computer skills, including using Words, Power Point, Google Docs, Dropbox, ActiGraph, activity-related devices and software
