

Improve the Health of YOUR Family!

You and your family can participate in a clinical study to prevent Type 2 Diabetes in Latino families.

We are looking for

- Families with kids between 10-16 years old who want to improve their health
- Youth with BMI at 95% or above

Benefits

- Learn about Type 2 Diabetes
- Free diabetes test and results
- Free YMCA gym membership for 6 months for the family
- Up to \$340 per participating adult enrolled in the study
- Up to \$265 per participating child enrolled in the study
- Help your family become healthier!

Participation is voluntary.

For more information, call ASU (623)-738-4278 or fill out the online form at <https://bit.ly/ContactELSC> to be contacted.
