Address progress towards top goals from 2023

- Goal 1 and Progress: Obtain the Certified Healthcare Simulation Educator certification by August 2023. Accomplished August 4, 2023.
- Goal 2 and Progress: Implement a two-patient simulation for Level 3 BSN-IH students Spring Semester 2023. Accomplished Spring semester, 2023.

List 3 - 5 major accomplishments for the year 2023 that you wish to be recognized for if not already discussed in progress towards 2024 goals.

- Accomplishment #1: Completed the third semester of a PhD in nursing with a cumulative 4.0 GPA.
- Accomplishment #2: Presented twice at professional development sessions.
- Accomplishment #3: Successfully implemented a transition to paperless labs and simulations for BSN-IH Level 3.

List SMART* goals for 2024

- Goal 1: Provide expert mentoring for an MSN-Education student in 2024, helping them achieve their goals and objectives for their educational practicum experience.
- Goal 2: Submit a systematic review related to my professional field for publication by December, 2024.
